

6" VIDEO BABY MONITOR

WITH MOTORISED
PAN/TILT CAMERA

oricom®

UP TO
18 HOURS
BATTERY LIFE

There's an Oricom for Everyone.

The SC640 6" Video Baby Monitor has a large colour LCD display, motorised pan-tilt camera, and parent talk back. It offers room temperature alerts, soothing lullabies, a feeding timer, and up to 18 hours of battery life in power save mode. With multi-camera capability (additional cameras sold separately) and a convenient desk stand, the SC640 is ideal for modern parents.
