

WBS01

WIRELESS WEARABLE SPEAKER

WITH NOISE CANCELLING MICROPHONE

There's an Oricom for Everyone.

Experience hands-free convenience with our wireless wearable speaker. Perfect for multi-tasking, it allows you to listen to music and take calls effortlessly. Featuring a noise-cancelling microphone and a durable housing, it ensures clear communication in any environment. Enjoy up to 10 hours of playtime at full volume or extend it to 20 hours at 75% volume, thanks to its 600mAh rechargeable battery.

KEY FEATURES

- **Hands-Free Operation:** Listen to music and take calls effortlessly while on the go.
- **Noise-Cancelling Microphone:** Ensures clear, uninterrupted conversations in noisy environments.
- **600mAh Rechargeable Battery:** Provides up to 10 hours of playtime at 100% volume or 20 hours at 75% volume, keeping you entertained all day.
- **Durable Housing:** Built to withstand daily wear and tear, making it a reliable companion.
- **Lightweight Design:** Weighs only 60g for comfortable, portable use.
