

ANU300

ANTENNA

GENUINE UHF CB ACCESSORY

The ANU300 is a 4.5dBi Fiberglass UHF CB Antenna with a counter balanced spring. The ANU300 allows for a variety of mounting options from bullbar for four-wheel drives or wing mount for transport vehicles. A specific bracket will be required depending on the mounting option chosen (bracket not supplied). This fiberglass antenna is extremely popular with the four-wheel drive market, and the transport industry. The ANU300 is finished in a black powder coating.

Pack Includes:

- 4.5dBi Fiberglass pole antenna with counter balanced spring
- 3.6m Of Cable + PL259 Connector
- Antenna length: 96cm
