

ANU400

ANTENNA

GENUINE UHF CB ACCESSORY

The ANU400 is a 6dBi Fiberglass UHF CB Antenna with a heavy duty spring base. At 1.6m height and 6dbi gain this antenna is ideal for those looking for strong communication in Australia's relatively flat outback. This antenna's height also delivers strong performance in hilly terrain. This antenna is suitable for bull bar mount. The ANU400 is finished in a black powder coating.

Pack Includes:

- 6dBi Fiberglass pole antenna with heavy duty spring base
- 3.6m Of Cable + PL259 Connector
- Antenna length: 1.6m
