

AD50

AROMA DIFFUSER NIGHT LIGHT

PERFECT FOR THE NURSERY

MULTI
COLOUR
NIGHT
LIGHT

The AD50 utilises modern ultrasonic technology and easy-to-use controls to create a soothing environment in the nursery for both parent and child. Simply add your favourite essential oil* and select your choice of softly coloured night light, and a peaceful and aromatic oasis awaits.

Features

- Ultrasonic Cool Mist (no heat source)
- Multi-colour night light
- 160ml water capacity
- 3-6 hours running time
- Interval mist setting (10sec diffusing/10sec pause)
- Auto switch off on low water level
- Mist and lamp controlled independently
- Can operate with no light

*Essential oil not supplied.
