Sound Soother OLS150 User Guide

Safety Instructions

We recommend that the user manual is reviewed in full before first use.

- Do not modify your sound soother.
- This device is not waterproof. Do not submerge in water, or use in wet areas, e.g. bathrooms.
- Keep the device free of dust, vibrations, corrosive, or flammable materials, and away from extremes in temperature and humidity.
- Switch off the power before cleaning. Clean exterior surface of device with a dry soft cloth.
- Don't operate under a blanket or pillow. Excessive heating can occur.
- **WARNING:** Keep out of the reach of children. This product is not a toy and contains a rechargeable lithium-ion battery.
- Do not attempt to remove or taper with the battery.
- Only use the portable sound soother when battery cover is closed.

Introduction

The OLS150 Sound Soother helps your baby fall asleep faster, by simulating the white noise of the natural environment. Additionally, the OLS150 includes a finger sensor to record your heart beat to create a relaxing and soothing environment for your child.

Product Features:

- Multi-colour night light
- Parents heartbeats can be recorded direct to sound soother using finger sensor (included)
- 20 Built-in lullabies, white noise, heartbeat and nature sounds
- Can operate with no light
- Timer function (15mins/30mins/60mins/off)

1. Charging the Battery

Charge the built-in battery using the supplied USB-C/USB-A cable. If you would prefer to power off the mains, connect the cable to a 5V 1A power adaptor (not supplied).

Note: When battery is charging, the power button illuminates red, when charging is complete the power button light turns off.

2. Switching the Unit On

Press the  to switch on the device. The power indicator light will illuminate green.

3. Soothing Sound Selection

Press "♥", "White noise", "Natural sounds" or the "Lullabies" buttons, to choose between the 20 audio options: 1 Heartbeat, 4 White noise sounds, 9 Natural sounds and 6 Lullabies.

4. Volume Adjustment

Press the "+" and "-" buttons to adjust between the 7 volume levels.

5. Light Selection

Press the "Lights" button to cycle through the 11 included colours.

6. Brightness Adjustment

Press the "Brightness" button to cycle through the 3 levels of brightness selections.

7. Mode Selection

Press the "Mode" button to cycle through the 3 options: Sound mode, light mode and sound with light mode.

8.Timer Function

Press the  button. The backlight colour indicates the timer duration:
green (15 minutes), yellow (30 minutes)
and red (60 minutes).

9. Heart Rate Collection:

9.1 Connect the supplied USB-C to USB-C cable to the OLS150 and finger clamp as shown below:

9.3 Place your finger into the finger clamp, the heart button will flash whilst the heart rate is being loaded to the OLS150, once complete the button will stop flashing and glow constantly.

This will take approx. 20secs.

9.4 Press the  button to turn off the machine, the power indicator light will turn off.

Express Warranty (Australia)

This Express Warranty is provided by Oricom International Pty Ltd ABN 46 086 116 369, Unit 1, 4 Sovereign Place, South Windsor NSW 2756, herein after referred to as "Oricom".
Oricom warrants that the product is free from defects in materials or workmanship during the Express Warranty Period. This Express Warranty does not extend to any product from which the serial number has been removed or was purchased outside of Australia.

The benefits of this Express Warranty are in addition to other rights and remedies you may have under the Australian Consumer Law. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. In the event of a minor failure, Oricom reserves the right to choose to repair or replace the product.

The Express Warranty Period will be a period of 12 months beginning on the date of purchase of the product evidenced by your dated sales receipt. You are required to provide proof of purchase as a condition of receiving Express Warranty services.

You are entitled to a replacement product or repair of the product at our discretion according to the terms and conditions of this document if your product is found to be faulty within the Express Warranty Period. This Express Warranty extends to the original purchaser only and is not transferable.

Products distributed by Oricom are manufactured using new materials or new and used materials equivalent to new in performance and reliability. Spare parts may be new or equivalent to new. Spare parts are warranted to be free from defects in material or workmanship for thirty (30) days or for the remainder of the Express Warranty Period of the Oricom branded product in which they are installed, whichever is longer. During the Express Warranty Period, Oricom will where possible repair and if not replace the faulty product or part thereof. All component parts removed under this Express Warranty become the property of Oricom. In the unlikely event that your Oricom product has a recurring failure, Oricom may always, subject to the Competition and Consumer Act 2010, at its discretion, elect to provide you with a replacement product of its choosing that is at least equivalent to your product in performance.

No change to the conditions of this Express Warranty is valid unless it is made in writing and signed by an authorised representative of Oricom.

Oricom will not be liable under this Express Warranty, and to the extent permitted by law will not be liable for any defect, loss, damage or injury arising out of or in connection with a:

1. Failure by you to adhere to the warnings and follow the instructions set out in this user guide for the proper installation and use of the product;
2. Willful misconduct or deliberate misuse by you of the product;
3. Any external cause beyond our control, including but not limited to power failure, lightning or over voltage; or
4. Modification to the product or services carried out on the product by anyone other than Oricom or Oricom's authorised service provider.

How to make a claim under your Express Warranty in Australia

Oricom has a simple warranty process for you to follow:

- Please call or email our Customer Support Team, 02 4574 8888 or support@oricom.com.au.
- A Customer Support Team member will verify after troubleshooting with you if your product qualifies under warranty. If so, they will give you a Product Return Authorisation number.
- We will then email a Return Authorisation form and a Repair Notice (if necessary), together with instructions on how to return the product for warranty service.

Please note that if a Customer Support Team member advises that your product does not qualify for return, this warranty does not apply to your product. Products that are authorised to be returned to Oricom in Australia must include all of the following:

- A completed Return Authorisation form
- A copy of your Proof of Purchase (please keep your original copy)
- The faulty product, including all accessories.

Send the approved returns to:

Oricom International Pty Ltd
Locked Bag 658
South Windsor NSW 2756 Australia

Please note that this Express Warranty excludes expenses incurred by you in returning any faulty product to us. You must arrange and pay any expenses incurred (including postage, delivery, freight, transportation or insurance of the product) to return the faulty product to us, however, we will arrange delivery of the repaired or replaced faulty product to you.

Important Information - Repair Notice

Please be aware that the repair of your products may result in the loss of any user-generated data (such as stored telephone numbers, text messages and contact information). Please ensure that you have made a copy of any data saved on your product before sending for repair. Please also be aware that products presented for repair may be replaced by refurbished products or parts of the same type rather than being repaired.

ORICOM CUSTOMER SUPPORT

Oricom have a trained and dedicated team of Customer Support Representatives, each with the knowledge and resources to assist in answering your questions quickly and efficiently.
