

## **KODAK CHERISH C525P** SMART BABY MONITOR

### **5" Display, Tilt/Pan/Zoom HD Camera, Monitor from Anywhere with KODAK Smart Home Mobile App**

#### **Keep a Close Eye Day or Night**

With Tilt, Pan and Zoom the HD C525P has the ability to pan 330° left and right and tilt 120° up and down while providing a full 360° view. Monitor your baby's movements up close with 3x digital zoom at anytime of day or night with our industry-leading Infrared Night Vision.

#### **Connecting You with Ease**

The KODAK Smart Home app for ANDROID and iOS includes cloud recording, delivers motion, sound and temperature notifications, to provide peace of mind to your smart devices at home or on the road.

#### **Take it on the Road**

With built-in rechargeable batteries in both the baby monitor and camera, enjoy the freedom to adapt your monitor to you and your child's schedule.

#### **Easy Access to the Important Things**

Temperature and relative humidity monitoring alerts keep you informed of a safe environment. The illuminated keypad is useful for late night check-ins. Melodies help your baby relax and fall asleep quickly and two-way talk allows you to comfort your little one from anywhere.

#### **We're Here to Help**

With 24/7 professional support, our team will offer the best solution for your questions. The integrated in-app support guides you through easy setup and provides ongoing help for your device.

#### **Secure Technology**

Kodak Smart Home monitors and software utilize the highest levels of encryption security so you can be confident that your data is secure.
